*Hemp Products for Pets and their People.™*

**Companion CBD, LLC.** is a Scottsdale, AZ -based Veterinarian owned pet CBD manufacturer and education company. We formulate and manufacture award winning CBD-based products exclusively for the veterinary marketplace. We work with veterinarians and distribution companies directly to provide evidence-based products to veterinarians and pet owners. Our products are formulated to be palatable, safe, clinically effective, easy to administer and cost effective. Our products range from 50-250% less expensive than our competitors. Our product lines contain multiple sku's that allow us to effectively dose dogs and cats of any size with any CBD-responsive condition.

The CBD marketplace has grown exponentially over the last several years. With the passage of the "Farm bill" in December of 2018, and the FDA's desire to consider legalization of CBD, the market is expected to accelerate with revenue growth of 20+ billion by the end of 2025.

## What makes **Companion CBD** a leader in veterinary medicine?

A four-time award-winning manufacturer. 2020- "Chewable Treat Product of The Year Award," by the Pet Independent Innovation Awards. 2021- "Dog Soft Chew CBD Product of the Year award," by the Pet Innovation Awards Company... 2021 "Best Pet CBD Product Company- North America," by LuxLife- Pet Products and Services Awards.

The only veterinarian owned CBD manufacturer and education company exclusively for pets.

Dr. Josh pioneered the first nationally accredited continuing education programs for veterinary medicine, in collaboration with Kenilworth Media-The VetMed Team. Over 15,000+ veterinarians globally have been trained by Dr. Josh on CBD for clinical practice. We also educate pet owners via our ["Ask-A-Vet"](#) feature at **CompanionCBD.com** and offer free consultations for all pet owners. Our social media platforms: Instagram, FB, Twitter, and LinkedIn are all to educate the public about the real science based facts of CBD for pets. We have a saying here at **Companion CBD**: "An educated consumer is our best customer."

We manufacture our products in an FDA-compliant, cGMP certified facility that is also certified by the NASC (National Animal Supplement Council). Each batch is independently tested for any containments, to include THC, and heavy metals. A certificate of analysis is available for all customers to ensure product safety and efficacy.

-  The MSRP's on our products are 50-250% less than our competitors on a milligram per milligram basis.
-  We have the most experienced team of veterinarians who have both clinical and research experience with CBD in the industry.
-  Collectively our leadership team has decades of experience in veterinary medicine and medical distribution markets.
-  Veterinarians endorse and retail CompanionCBD product domestically and abroad.
-  Over 40 national, regional, and local media segments to include: TV, radio and print media, podcast and more...

**Our market strategy** is designed to focus on the veterinary and retail markets. Veterinarians are still the single biggest influence on pet owners and are in the best position to give advice about how to use CBD as a therapeutic agent. Therefore, our marketing, education and PR efforts are designed to position CompanionCBD as the industry leading choice for veterinary medicine and pet owner communities.
